WHY KFH CAPITAL MONEY MARKET FUND?

KFH Capital Money Market Fund (KWD) strives to provide attractive investment opportunities for those interested in investing in money market instruments.

- Weekly liquidity
- No Subscription/Redemption Fees
- Low risk investment

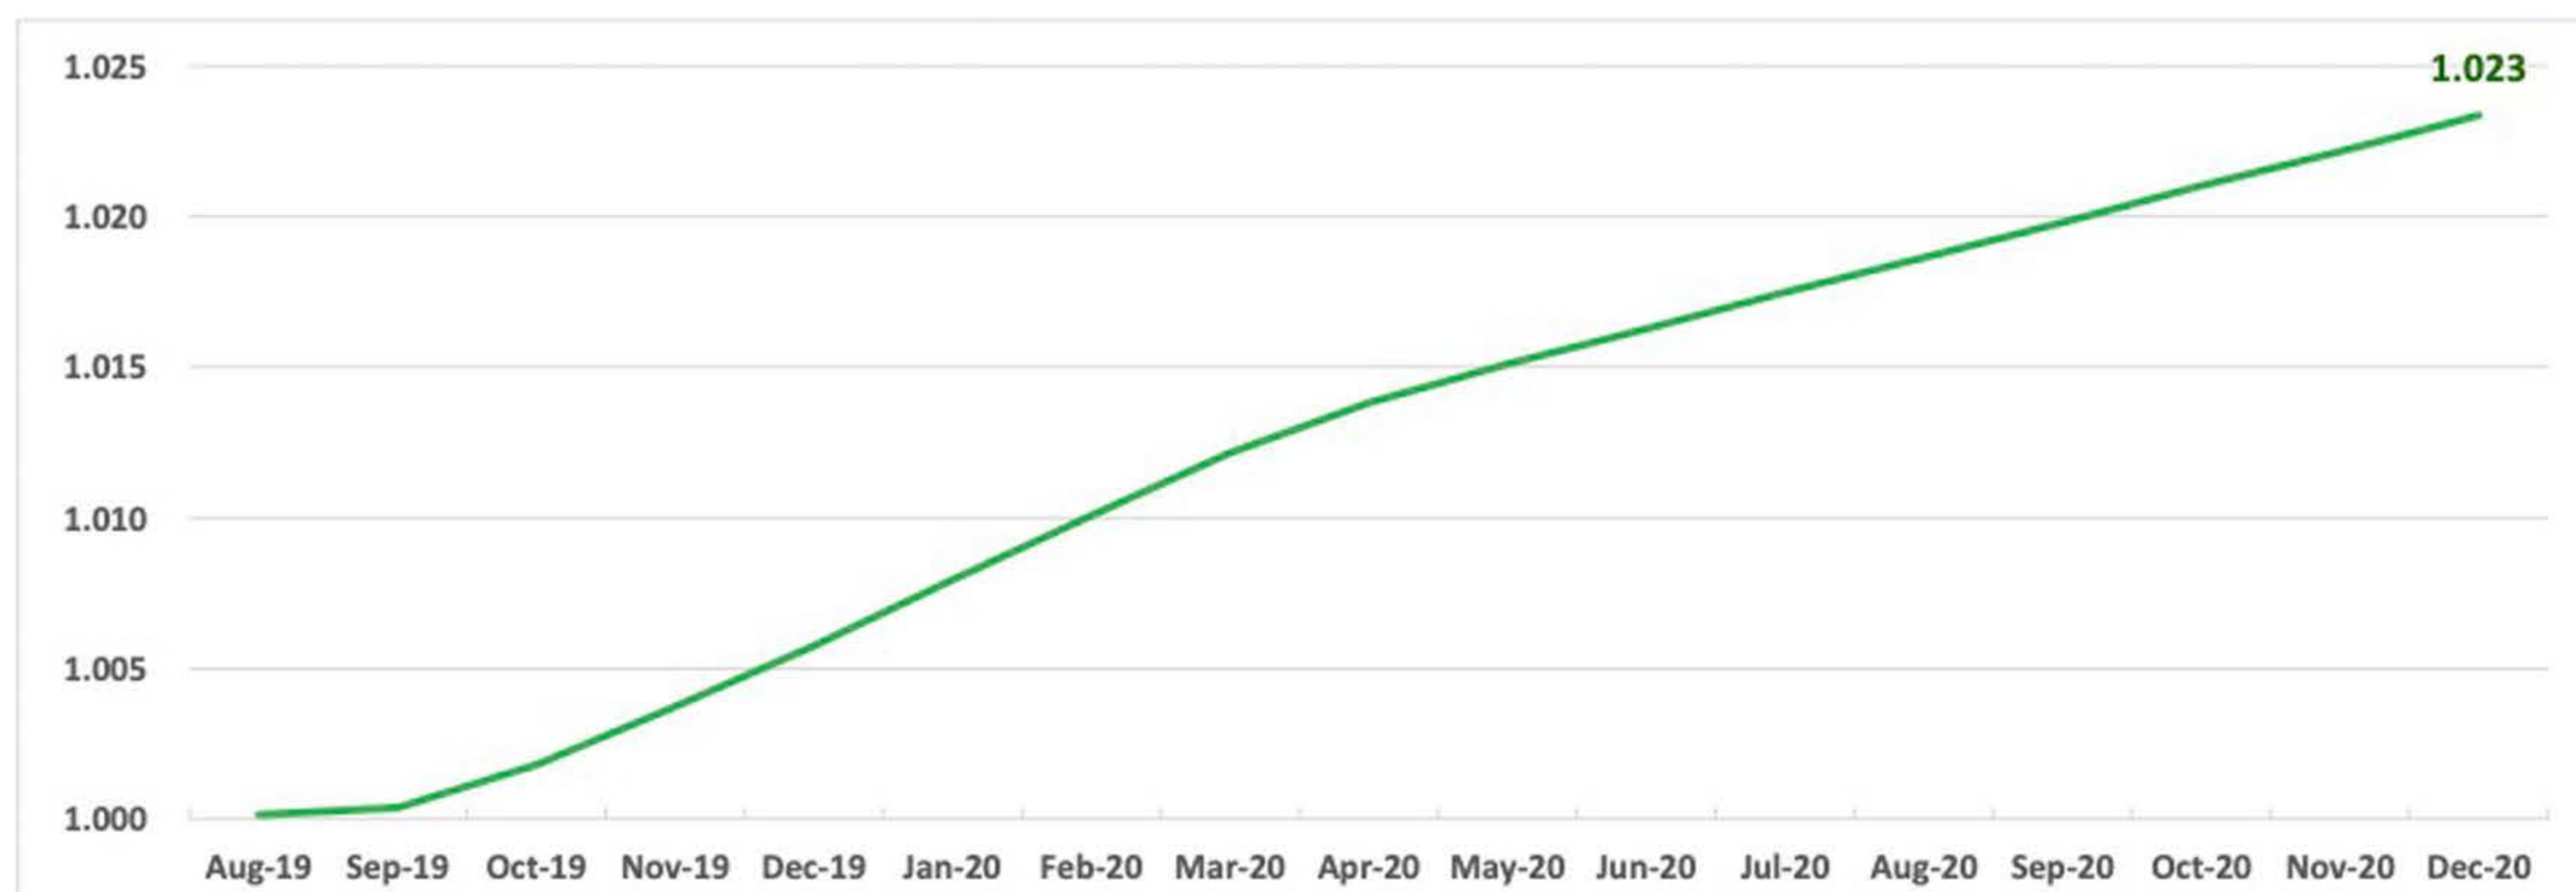

FUND INVESTMENTS

Money Market instruments are short-term investment tools compatible with the terms of Islamic Shariah. These are equivalent to deposits in Islamic banks and all types of Sukuk, bank deposit certificates and any other cash instruments approved by the Capital Markets Authority (CMA) without violating the terms of Islamic Shariah.

FUND EXECUTIVE COMMITTEE
